Course Programme:

Allow 2 months for Pre-Course Reading and 1 month for each Session
(Unless full time student)

Candidates are able to attend In-House Course Sessions and join Fundamentals of Homoeopathy if necessary at an additional charge.

- A. Pre-Course Reading Session and Work Assignment as entry to:

- B. Session I Introduction to Homotoxicology
Session II Skin Disorders
Session III Rheumatic / Musculo-Skeletal Disorders
Session IV Nervous System Disorders / ANS
Session V Gastro-Intestinal and Hepatic Disorders
Session VI Ageing and Geriatric Disorders
Session VII Psychological Disorders, M.E., Vertigo
Session VIII Women's Conditions
Session IX Paediatric Conditions
Session X ENT / Respiratory Disorders
Session XI Infectious Disease – Viral, Bacterial, Fungal
Session XII Degenerative and Neoplastic Conditions

- C. EXAMINATION with In-House or on Location

- b) **IN-HOUSE:**

Pre-Course/ Background Reading / and 'Fundamentals of Homoeopathy' if necessary.

WEEK-END I:

- SAT am: Introduction, Health and Healing, Nano-Pharmacology
Bio-Regulatory Medicine, Integrated Medicine
Homoeo-Therapeutics
pm: Homotoxicology 6-Phase Table, Anti-Homotoxicals
The Cell, Catalysts, Biological Molecules
Toxins / Toxicology
SUN am: Extra Cellular Matrix
Bio-Physical Paradigm – Water. Bio Energy
pm: Autonomic Nervous System
Autonomic Nervous System II Stress

WEEK-END II

SAT am:	Universal Immune Compromisation Syndrome® PNETI
pm:	Immune System. Auto-Immune States
SUN am:	Homeostasis and Greater Defence System (Reckeweg) Endocrine System / Thymus
pm:	Inflammation / Immune Bystander Reaction / IIMR

WEEK-END III

SAT am:	Musculo-Skeletal Conditions
pm:	Skin Conditions
SUN am:	Fundamentals of Homoeopathy
pm:	Alimentary Conditions / Microbiology (Reckeweg) 14 Anti-Homotoxicals

WEEK-END IV

SAT am:	Intermediary Catalysts
pm:	Geriatric Conditions / Psychological Conditions
SUN am:	Women's Conditions
pm:	Paediatric Conditions

WEEK-END V

SAT am:	ENT / Respiratory / Allergic States
pm:	Viral / Fungal / Bacterial / Parasitic States / CFS
SUN am:	Cardiac and Degenerative States
pm:	Cancer – Adjuvant Care / Diabetes / Syndrome X

WEEK-END VI (Topics NOT examined)

SAT am:	Bio-Puncture / Nutrition and Homotoxicology
pm:	Ethics / Codes of Practice / Therapeutic Approaches
SUN am:	EXAMINATION
pm:	(OBLIGATORY) Case Histories

ENTRY REQUIREMENTS:

- 1) Medical Doctors, Dentists, Veterinary Surgeons, Chiropractors & Osteopaths
- 2) Registered – post Univ. / College Degree – Naturopaths, Heil Praktiker, Bio-Paths
- 3) Homoeopathic Practitioners – Medical – Licensed / Registered
- 4) State Registered Nurses, Physiotherapists, Professions Ancillary to Medicines List (DOH)
- 5) Pharmacists – Members Royal Pharmaceutical Society, BSc (Pharmacology)
- 6) Medical Scientists – BSc (Med. Sciences), M. Med. Sci., M. Phil, PhD or EU/Brit
- 7) Registered Acupuncturists / Homoeopaths

(Please indicate on Application Form)

COURSES AIMS and OBJECTIVES

COURSE completion leading to:

- 1) Membership British Register of Complementary Practitioners (Homotoxicology) (ICM).
- 2) Certification International Society of Homotoxicology.
- 3) ICM Practice Insurance for Homotoxicology (on request via ICM).

AIM: To provide Courses 'In-House', and Distance Learning in the System of Homotoxicology (according to Dr. H-H RECKEWEG 1905-1985) in theory and practice (same syllabus).

OBJECTIVES:

- 1) To provide a Certification 'standard of knowledge and competency' in Homotoxicology, leading to 'best practice' ability in accord with National Occupation Standards (UKGB).
- 2) To ensure intending practitioners are well versed in Bio-Medical Sciences, Reckeweg's Pathobiological System and its background (Pischinger/Bertalanffy); together with recent research and clinical modality trials, and the 'Ordinatio Antihomotoxica et Material Medica' Biotherapeutic Index of 'Herba est ex Luce' HEELTM
- 3) To provide detailed classical remedies in terms of individual constituents, synergism and integrated medicinal/healing effects (including pathophysiological parameters) based on the concept that Homotoxicology is the 'link' between classical homoeopathy and modern-day allopathic medicine.
- 4) To ensure homotoxicology practitioners undertake Reckeweg's recommendations of adjunct therapies and patient care i.e. nutrition, functional food and micro-biological therapy (basically Probiotics) to affect immunomodulation, and possess sufficient knowledge of the modalities to be pro-active and proficient in their need and use.
- 5) To ensure sufficient background knowledge of the Fundamentals of Complementary Medicine, and the relationship of the homotoxical modality to other homoeotherapeutics in theory and practice and in relation to the emerging science of homoeopathy in terms of the bio-physical paradigm, complexity, bio-dynamics and nano-pharmacology, within the nature of man (Homo-electromagneticus) and (Homo-animus).
- 6) To further the Academy's position as affiliation to ICM. London with BRCP registration facility to gaining the status of the Courses being recognised and validated by a UKGB University.

DISTANCE LEARNING

COURSE METHODOLOGY: (detailed 'manuals' provided for ALL candidates)

Pre-course Reading Session and Work Assignment to be completed PRIOR to commencement of Session I., and submitted to Tutorial Desk. On receipt Session I will be dispatched, and assessed Work Assignment will be returned soonest thereafter.

- 1) Extra Pre-Course Reading and Work Assignment in Homoeopathy for Non-CORH registered candidates – ALL Distance Learning. To be COMPLETED before issue of Session III.
- 2) Completion of ALL Sessions and Work Assignments MUST be achieved SATISFACTORILY (poor attainment Work Assignment Questions may be re-done and re-submitted) PRIOR to applying to join Examination Session.
- 3) The Course consists of approximately 360 hours of Guided Self-Study Distance Learning, including preparation of Work Assignments and Mini-Project (10 Case Histories). Time length of Course is up to candidates, full time students probably around 9 months, part-time up to 24 months, depending on commitments, and previous relevant knowledge.
- 4) Examination:
 - a) Attendance at 'In-House' Course Exam London 29th June 2008
 - b) By arrangement at local NHTrust Post-Graduate Centre / Further Education College. Candidates MUST notify the Principal at least 6 weeks prior to proposed date, together with WRITTEN agreement from Centre / College concerned that time is convenient and an invigilator (named) is available – ALL costs incurred to be the responsibility of candidates.
- 5) D/L candidates are encouraged to attend the In-House, 'face-to-face' Sessions – ALL or ANY - @ £65.00 per day – gaining 8 CPD points per day.
- 6) **Fees £875.00** (2007/08)

Fundamentals of Homoeopathy & Homotoxicology' **£125.00**
ICM Certificates £25.00 if required

IN-HOUSE

COURSE METHODOLOGY: (detailed 'manuals' provided for ALL candidates)

- 1) Pre-Course Background Reading Session and Work Assignment to be completed PRIOR to commencement of First Week-End Training Session and handed in by latest at that time. Late 'joiners' to Course, and other special circumstance candidates MUST 'hand-in' by 1 December 2007, as also by Week-End 5 the obligatory Mini-Project (10 Case Histories).
- 2) Extra Pre-Course Reading and Work Assignment for Non-CORH registered candidates – ALL Distance Learning. To be COMPLETED by 1st March 2008.
- 3) Attendance at 6 Week-Ends, In-House Venue, London (obligatory unless medical certificate submitted) i.e. 81 hours 'face-to-face' lectures / tuition and 3 hours written examination a.m. on last Sunday; and case management studies presentations last Sunday pm.
- 4) Approximately 240 hours self-study / work assignment preparation.
